Life-Coaching Opportunity

Tom & Christian were very pleased with their recent meeting at the Adams County Health Department. They are excited about partnering in a faith-based program like this that will **help recovering addicts** take the next step after becoming clean.

We need Life Coaches who initially will commit to simply sitting with someone in church and maybe helping with transportation. As a congregation we will provide a place of loving acceptance where people can learn about God and a new way of life.

A representative will be coming here **October 1** to answer questions and provide more explanation.

September: A New Beginning
