NO//HOPE

A look at hope from the book of Job

“Where were you when I laid the earth’s foundation? Tell me if you understand. Who marked off its dimensions? Surely you know! Who stretched a measuring line across it? On what were its footings set, or who laid its cornerstone—while the morning stars sang together and all the angels shouted for joy?”

— Job 38:4 - 7

Life-Coaching Opportunity

We are excited about partnering in a faith-based program with the health department that will **help recovering addicts** take the next step after becoming clean.

We need Life Coaches who initially will commit to simply sitting with someone in church and maybe helping with transportation. As a congregation we will provide a place of loving acceptance where people can learn about God and a new way of life.

A representative will be coming here **October 1** to answer questions and provide more explanation.

Autumn: A New Beginning

Once schools start, most families' lives are at least more consistent and predictable. That makes it a good time to settle into a more consistent pattern for personal devotional times with God, church attendance and involvement, and personal growth.
